**The Center for
Social Impact Strategy**

Take your social impact leadership to the next level.

We're looking for leaders who are making a big impact in the world and want to join a global community. Join the Global Social Impact House (GSIH), a world class educational and community program that brings together purpose-driven leaders for a week of learning, collaboration, reflection and rejuvenation.

The Center for Social Impact Strategy (CSIS) at the University of Pennsylvania invests in ideas, people and community. Our Impact Houses have brought together over 300 changemakers from around the world working to make a greater impact. GSIH is a tailored program geared for entrepreneurs, intrapreneurs, community alchemists and innovators from all corners of the world.

We look forward to having you join us!

7 DAYS OF IMMERSIVE LEARNING

“ GSIH gave me a huge confidence boost, and helped me acknowledge how far I've come. The community was second to none - The bond that was created in such a short space of time was incredible. I'm super excited for what comes next. I feel like the program gave me the opportunity to zoom out with a bunch of brilliant minds - and now I've got a much clearer and much more strategic path ahead.

“

Being a part of GSIH has not only shaped my venture, but it has shaped my life, and it has shaped who I am. GSIH helped me realize that in order to see my life in the future, I needed to decide what I wanted to do in the present.
